

7.3 Institutional Distinctiveness 2020-21

We have a demographic diversity at our institute as the students as well as faculties come from diverse regions, religions and socio-economic backgrounds. We have students from different states as well as International students coming from Asian and African countries who add up to diverse culture. At our institute, we are trying to maintain 'uniqueness' by inculcating the value of 'togetherness' among all the members of this institution. Every year college organizes "International Student Meet" in which head of the institution interacts with the students to understand their problems related to academics. The parent organization i.e. Sinhgad Technical Education Society has a separate "International Cell" to facilitate all issues related to international students. The Sinhgad Technical Education Society also organizes separate "Sinhgad Sports and Cultural Activities" only for all International students of STES's.

At our Institute, we run semester-wise Student Training Program (STP) for BBA, BBA (CA) and B.com from last five years which include Group discussions, Aptitude test, GKCA Quiz, Harvard/IIM cases, Harvard Business Review Article Quiz, Business Communication module, Excel module, Technical Modules, Subject specific Quiz to enhance competitiveness and skills among students.
